

# Rosie the Riveter

Come join Delta District 19 IOBGA in a Special visit to

## Rosie the Riveter

National Historical Park

It is Special because one of the Original “Rosie’s” will be our guide and that this is the only Memorial in the US to explore and honor the efforts and sacrifices of American civilians on the WW II home front. Find out how they lived, worked and got along. Many faces, many stories, many truths weave a complex tapestry of myths and realities from this time of opportunity and loss. Richmond played a significant and nationally recognized part in the WW II home front. The four Richmond shipyards produced 747 ships, more than any other shipyard complex in the country.
